

STARplex Swim School Poolside

June 2011

A warm welcome to our new swimmers and all of our existing swimmers. Term two is moving along very quickly and we are currently planning for term 3. A few changes since last term; we welcome new staff members Sian Smithson and Shae Middlemiss to our instructor team and say goodbye to Julie Haynes who has taken leave due to pregnancy. We wish Julie and her family all the best and look forward to seeing her back in the water (as a mum in our babies classes) in the future. Another instructor Emma Heenan has recently given birth to twin girls, sisters for her two boys. Our baby classes will be busy!

Thanks to those of you who have given feedback about their instructors over the term. It is terrific to be able to pass on comments for the great work they do.

If you would like to give feedback about your child's instructor or comment on our customer service, please fill in a 'Who Made You Smile?' form and go into the monthly draw to win a \$50 STARstore voucher. The forms are located on the plastic table in the pool entrance.

It is good to see so many children keeping up their swimming skills over the Winter months. Children will progress at a much quicker rate when they can practise their skills all year round. Our supervisors are keeping busy assessing the children throughout the term and if you would like feedback on how your child is progressing please speak to one of the supervisors on deck who will be happy to keep you up to date,

Happy swimming!

Parent and Baby classes

Currently we have over 350 children under the age of 3 years in our swim school. It is wonderful to see so many parents placing such emphasis on having their child become confident and happy in the water. We have a few reminders for parents in our water babies classes:

- Wearing T shirts in our baby classes is recommended as instructors will encourage the children to 'grip on' to parents
- If your child becomes upset in class move away from the group, allow your child time to calm down and adjust and slowly try to re enter the class. If it continues please speak to our supervisors who will be able to offer various strategies
- For their own safety, please do not allow your baby to crawl to the edge of the pool before lessons
- In our morning sessions please be considerate of others waiting to use the showers
- We ask that parents get in the pool when their instructor is ready and leave the pool at the end of the lesson. It is important that we have minimal disruption to those already in the pool
- A nappy bin is provided at the far end of the small pool, please do not put nappies in regular bins or the can bin.
